Description

Speed Loader® Car Hauler Tilt Trailer
Get the ultimate in convenience and performance with the Speed Loader® Car Hauler Tilt Trailer. Designed for smooth loading and secure hauling, this tilt trailer makes transporting vehicles easier than ever.
Key Benefits
Hydraulic Tilt Cylinder – Choose from Manual Operation or Push-button Electric
Easily tilt the bed for fast loading and unloading with your preferred hydraulic system.Reverse, Taper-cut Beavertail
Enjoy a gentler load angle that reduces stress on your equipment and provides safer loading.Set Back Tongue Jack
Positioned for better maneuverability and clearance, making trailer hookup faster and simpler.Banjo Tie-Downs and Stake Pockets
Secure your vehicle with ease using integrated tie-downs and stake pockets for versatile cargo control.
Why Choose an H&H Speed Loader® Car Hauler Tilt Trailer?
Overview
The Speed Loader® Car Hauler Tilt Trailer is the perfect combination of innovation and practicality. Built for those who need a reliable, easy-to-use tilt trailer, it features a hydraulic tilt bed that eliminates the need for ramps. Whether you're transporting a sports car, ATV, or heavy-duty equipment, the Speed Loader® provides effortless operation and dependable performance every time.Available Models
H&H Trailers offers the Speed Loader® Car Hauler Tilt Trailer in several configurations, allowing you to choose the manual hydraulic or push-button electric tilt system that fits your workflow. Various trailer sizes and weight capacities are also available to match the specific requirements of your vehicles and equipment.Standard Features
Every Speed Loader® Car Hauler Tilt Trailer includes a hydraulic tilt cylinder, reverse taper-cut beavertail for an ideal loading angle, a set back tongue jack for easier hookup, and strong banjo tie-downs and stake pockets to secure your load. Quality construction and premium components ensure lasting durability and safe, stable towing on every haul.Options
Customize your Speed Loader® Car Hauler Tilt Trailer with available upgrades like aluminum wheels, additional tie-down points, a wireless remote for electric tilt operation, or a toolbox for extra storage. Whatever your hauling needs, H&H Trailers offers the right options to maximize your trailer's performance and convenience.
