Description

The Sure-Trac® Heavy Duty Low Profile Dump Trailer is engineered for professionals who demand the highest level of strength, versatility, and efficiency. Built for heavy-duty tasks in industries like construction, landscaping, and agriculture, this trailer delivers top-tier performance, helping you get the job done right every time.

Key Benefits

Rigid Panels

Reinforced side panels supported with 2” x 2” tube top rail provide added strength and durability, ensuring the trailer can handle heavy loads without compromising structural integrity.

Ramps (Stored Underneath Bed)

Convenient under-bed storage for ramps keeps them secure and out of the way, while always being accessible for easy equipment loading.

HD Reinforced Combo Barn Door Spreader Gate w/ Cambar

This versatile gate design allows for controlled dumping or full access for easier unloading, giving users flexibility for various applications.

Side Steps

Built-in side steps offer quick and safe access to the trailer bed, making it easier to load or inspect cargo.

Integrated Tarp Mount with Mesh Tarp Kit

A built-in tarp system helps secure loads and protect materials from the elements, complete with an anti-sail kit to keep the tarp in place.

*Underbody Secure Tool Storage**

This convenient storage compartment keeps essential tools safe and organized, maximizing space without cluttering the trailer bed.

Battery Charger, 110-Volt

A built-in charger allows you to plug in your trailer each night to ensure your trailer’s battery stays powered up and ready to go, making it more efficient for daily use.

Three Wall Heights

Get the side height to match your application: available in 2?, 3? and 4?.
