Description

Boss EXT Straight Blade Plow 8' - 10' STB19200 features expandable wings that ensure unmatched maneuverability and efficiency when clearing snow. The EXT plows at 8 feet for tighter cuts and expands to 10 feet at the touch of a button for excellent productivity. The plow's versatile capabilities make it the perfect tool for clearing parking lots. 2-year parts and labor warranty.

Factory-trained installation is available. Call to get a quote for your application. We offer 24-hour parts and service for BOSS equipment during winter weather events. Our well-stocked parts department insures quick and efficient turnaround on your repairs.

Your Ultimate Parking Lot Plow – The BOSS EXT. Unleash the full power of efficiency with the BOSS EXT, designed to conquer large parking lots and open spaces with ease. At the touch of a button, the EXT expands from 8 to 10 feet, providing the flexibility to tackle everything from tight spaces to wide-open places. With its true 10-foot width and pitched-forward wings, the EXT moves more snow per pass, delivering unmatched efficiency and speed to get the job done faster than ever. The full moldboard trip system provides superior protection by allowing the entire blade to trip forward when encountering obstacles. This system absorbs impact, reducing stress on both your truck and plow– cushioning the blow to minimize damage. With this innovative feature, your equipment stays dependable, ready to take on winter's toughest storms without interruption.
