The TGS Spreader series from BOSS is the easiest way to arm yourself against snow and ice. BOSS tailgate-mounted spreaders attach easily and disperse de-icing materials quickly and efficiently to make your job as smooth and steady as possible. With 11 cubic feet of material capacity, the BOSS TGS 1100 will give you maximum efficiency with a minimum size. Because when it's on you to KEEP 'EM OPEN, BOSS is here to BACK YOU UP.

Factory-trained installation is available. Call to get a quote for your application. We offer 24-hour parts and service for BOSS equipment during winter weather events. Our well-stocked parts department insures quick and efficient turnaround on your repairs.
