Description

The Midsota FBBP Series Deck Over Trailer is engineered for heavy-duty hauling, combining strength and versatility in one reliable flatbed trailer. Designed with a robust fabricated I-beam frame and equipped with a convenient beavertail and fold-over wedge ramps, this deck over trailer simplifies loading large equipment. From construction sites to farms, its durability, expansive deck space, and high load capacity make it ideal for rigorous commercial use.
Tandem 10,000lb Oil Bath Axles with Electric Brakes
Twin Jumbo Ramps (4' Wide Fold Over)
