Price: $9,299.00

MSRP: $12,099.00

Description

The 2027 Wolverine 8 Series is an all-aluminum deckover, carrying its full 102" deck over the wheels instead of between them. That extra width is what you want for wide implements, pallets and anything that will not fit between fenders. Heavy grooved aluminum ramps rated 7,000 lb each handle the loading.
• 10K - GVWR on galvanized-steel axles with self-adjusting electric brakes and a breakaway switch

• All-aluminum 2x8" double-hollow tube frame, deck-over-the-wheels design
• 102" wide treated 8.5x22 wood-plank deck
• Two heavy-duty grooved aluminum ramps, 7 FT x 16", rated 7,000 lb each
• 2-5/16" A-frame zinc-plated coupler with an 8,000-lb drop-leg jack
• All-LED lighting with a lifetime warranty and a 7-way connector
• Aluminum wheels on radial tires, plus a spare
• Aluminum diamond-plate fenders
