Description

Summit Cascade 6X12 3K Single Axle Utility Trailer

ALL NEW TRAILERS COME WITH A FULL FACTORY WARRANTY

Built for rugged durability and seamless hauling, the Summit Cascade 6X12 Single Axle Utility Trailer is your go-to solution for landscaping, home projects, recreational gear, and more. Trust this trailer to handle your routine tasks with ease.
Key Features
Heavy-Duty Construction: Rugged steel frame with cross-members and side rails provide exceptional strength and a professional-grade appearance. Heavy-duty ramp gate facilitates secure loading and unloading.
Reliable Axle & Tire Package: Features a 3,000 lb capacity leaf-spring axle with a 2? coupler for sturdy towing. Includes 15? steel wheels loaded with 205/75R15 radial tires for smooth, stable transport.
Practical Deck Design: Equipped with a fir deck that's resistant to rot and ready for heavy cargo. The full-length side rails offer strong tie-down points for securing loads.
Protective Finish: Premium polyurethane finish shields the trailer from corrosion while delivering a sleek, clean look.
Convenient Lighting & Electrical: DOT-compliant sealed lighting system with 4?way plug ensures a dependable connection and visibility. Includes electric brakes for enhanced safety while towing.
Why Choose the Summit Cascade 6X12?
Whether you're hauling landscaping equipment, household items, ATV/UTV side-by-side, or bulk materials, this trailer delivers a rugged yet affordable solution. The electric brakes provide added safety, while the ramp gate and steel-frame construction make loading and unloading a breeze. Finished with a durable powder coat, it's built to withstand weather, wear, and repeated use.
