Description

2027 Eagle 6' x 12' Low Profile Dump Trailer
10K GVWR | Loaded with Upgrades
If you're looking for a compact dump trailer that works like a much larger trailer, this 2027 Eagle 6x12 Low Profile Dump Trailer deserves a serious look. Built with Eagle's heavy-duty construction

and loaded with premium upgrades, this trailer is designed for contractors, landscapers, property owners, and anyone who needs reliable hauling and dumping power.
The low-profile design makes loading equipment easier while the electric/hydraulic direct-push hoist delivers impressive lifting power for dirt, gravel, bark, demolition debris, firewood, and more. Equipped with the most desirable options including heavy-duty ramps, D-rings, spare tire package, dual-action spreader gate, tarp kit, battery charger, GPS tracking, and lockable storage, this trailer is ready to go straight to work.
