Price: $15,250.00

Description

16? × 96? Engineered Beam Deck-Over Dump Trailer | Carbon Metallic Gray
Load pallets from the side, drive equipment up the rear ramps, or haul gravel and jobsite debris. This 16-foot deck-over dump trailer pairs an upgraded 7-gauge steel floor with 22-inch fold-down steel sides for easy side access. The three-way dump gate gives you options for unloading, and the preinstalled 20-foot heavy-duty black mesh tarp makes it easy to cover loose material.
The engineered beam frame rides on two 7,000-lb straight axles with electric drum brakes. A five-stage hydraulic system raises the bed under power and lowers it by gravity, while a 7-watt SolarPulse charging system helps maintain the Group 27 battery.
Features and specifications

- 16? × 96? deck-over configuration with an engineered beam frame
- Upgraded 7-gauge steel floor and 22? tall, 10-gauge fold-down sides
- Two 7,000-lb straight axles with electric drum brakes and six-leaf slipper roller springs
- Three-way dump gate, 97? rear slide-in ramps built with 3? I-beams, and two drop-leg stabilizer jacks
- Four 5/8? D-ring tie-downs and a preinstalled 20? black mesh tarp
- Engineered tongue with heavy-duty V-tongue lid and a 15,000-lb Simol two-speed drop-leg jack
- 2-5/16? Demco EZ-Latch coupler rated at 21,000 lbs with an adjustable channel
- ST235/80R16 14-ply radial tires and matching spare on black 8-lug wheels
- Retractable under-frame cable-winch spare tire mount and all-LED lighting
