Gooseneck hitches starting at \$599

Call us for an installed price by our traileed technicians.

Features:

- Heavy-duty under bed hitch lets you tow your gooseneck trailer
 - Complete truck bed access when you're not towing
 - Remove ball from hitch, flip it upside down, and drop it back into hitch for storage
 - 5/8" Thick, spring-loaded, steel locking pin on end of handle goes all the way through ball to secure it in place
 - Access handle at rear driver's-side wheel well
 - Single-piece, machined ball socket provides rugged durability
 - Square ball base prevents ball from turning in hitch during hookup
 - "Corners only" fit of stowed ball prevents grime buildup inside of hitch
 - Specially designed accessories (sold separately) make it easy to customize the hitch to fit your needs
 - Tow a 5th-wheel trailer with the B&W Companion hitch adapter
 - Spring-loaded safety-chain hookups are built in
 - Simple installation with included custom mounting kit
 - No welding required
 - Truck bed does not have to be removed
 - 4" Diameter hole must be cut into bed
 - Powder coated steel is sturdy and corrosion resistant
 - Made in the USA
 - Gross towing weight: 30,000 lbs
 - Vertical load limit: 7,500 lbs
 - Ball size: 2-5/16"
 - Limited lifetime warranty
-
