Why Choose a New Journey® SE Cargo Trailer?
Overview
The Journey® SE Cargo Trailer is designed for serious haulers who demand uncompromising performance. Whether you're transporting tools, equipment, or personal gear, this enclosed trailer is engineered to offer the rugged dependability you need with the professional finish you want. With a wide range of sizes and GVWR ratings, the Journey® SE is versatile enough to tackle nearly any hauling task.Interior Features
Inside every Journey® SE cargo trailer, you’ll find high-performance wood walls and flooring built for resilience. The clean, open interior layout makes it easy to secure and organize cargo, while integrated features like LED dome lighting improve function and visibility. Each unit is ready to be customized with optional shelving, E-track, or ramp upgrades to fit your specific needs.Exterior Features
The exterior of this enclosed cargo trailer showcases a clean screwless finish, bonded with VHB tape for added strength and moisture protection. Chrome or aluminum accents on select models add a professional touch, while standard features like a 24" stoneguard and flow-thru vents enhance both protection and ventilation. The trailer rides on radial tires for smoother towing and longer-lasting performance.Built for Every Haul
Available in a range of single and tandem axle configurations, the Journey® SE Cargo Trailer comes in sizes from 5’ wide compact models to 8.5’ wide heavy-duty options in both sloped v-nose and round front profiles. Whether you’re a contractor looking for a rugged mobile workspace or a motorsport enthusiast hauling gear, there’s a Journey® SE built to match your needs. With premium construction and standard features that exceed expectations, this is the enclosed cargo trailer you can rely on.
