Sales Price: $6,795.00

Description

Snow Ex 8 HD Snow Plow straight blade with down pressure and halogen headlights.
Customer can get upgrade of LED Headlights for a extra $600.00
For commercial contractors outfitting larger vehicles, only a heavy-duty straight blade snowplow will do…and the aptly named SnowEx® Heavy-Duty Series fits the bill. Powering ahead and rolling heavy snow farther with a 31?-tall steel blade, these plows feature a formed base channel that delivers extra stability. While vertical ribs, two angled Power Ribs and massive quad design provide added strength to prevent the blade from twisting, even under the most punishing winter conditions.
