Description

24" (61 cm) SnowMaster(r) 724 QXE Snow Blower (36002)
Tear through the roughest snow and ice in record time with Toro's SnowMaster Snow Blower. Make snow blowing less work with the self-propel Personal Pace(r) system, which matches your walking speed and provides better traction in all snow conditions. Quickly change the chute and deflector direction with a single, smooth motion thanks to the Quick Stick(r) chute control. Featuring a Toro Premium 212cc OHV 4-cycle engine with electric start, this snow blower efficiently throws

snow up to 40 feet. It's ultra-maneuverable, easy enough for anyone to handle and still powers through tough, end-of-driveway snow.
Storage dimensions: 52" x 25.4" x 42.5" (132 cm x 64.5 cm x 108 cm).
Backed by Toro's 3-Year Limited Warranty (Residential only) and Deflector, Lower Chute, Chute Warranty Guaranteed for Life (original owner only) See retailer for warranty details.
Choose the right fuel for your snow blower. For best starting results use Non-ethanol fuel with an octane rating of 87 or higher. Use fresh fuel less than 30 days old, add fuel stabilizer to reduce starting problems. Do not mix oil with gas. For more information, view our Fuel Fact Tips.
Highlights- Easy Start - Simply push the button and you're ready to snow blow with electric start.- Chute Control - Quickly change the chute and deflector direction with a single, smooth motion thanks to the Quick Stick(r) chute control.- Lightning Fast - Tear through the roughest snow and ice in record time with Toro's powerful engineered auger.- Keep Up the Pace - You control how fast or slow you go with the self-propel Personal Pace(r) system.
Features- Chute Control: Quickly change the chute and deflector direction with a single, smooth motion thanks to the Quick Stick(r) chute control.- Lightning Fast: Tear through the roughest snow and ice in record time with Toro's powerful engineered auger. A tall auger housing and Guaranteed For Life chute handles even end of driveway snow with ease.- Keep Up the Pace: You control how fast or slow you go with the self-propel Personal Pace(r) system. The rear-wheel drive system also equips you with the best traction in any snow condition.- Turn on a Dime: Automatic steering makes smooth tight turns a snap with no trigger or lever to pull.

- Glide Over Surfaces: Make maneuvering even easier by breezing over driveway obstacles and garage floors with metal enforced poly skid shoes. No skuffs or skid marks left behind.
- Warranty: 3-Year Limited Deflector, Lower Chute, Chute Warranty Guaranteed for Life (original owner only) See retailer for warranty details.
