Description

DANIELS PLOW -
VERSATACH 3-IN-1 SKID STEER MOUNT PLOW
MINIMUM LOADER SIZE REQUIRED - 6,000LBS

EASILY COVER MULTIPLE SITES

Imagine the convenience and savings of three plows in one!
The VersaTach Plow utilizes the hydraulics from your machines 3rd valve.
By connecting the 3rd valve lines to the VersaTach, the hydraulic manifold allows
the 3-in-1 Plow to angle left and right 35 degrees and pivot the wings to the degree needed.
