Description

CT1025 OVERVIEW

Get added horsepower for operating a variety of attachments and implements -- without sacrificing the compact size and maneuverability to mow and complete light-duty projects on your property.
Mid-PTO provides the option of combining two tools on one machine -- one in the back and either one in the front or a mid-mount mower.
Do more with one machine. The rear PTO and Limited Category 1 three-point hitch allow the versatility to use both drag-behind and PTO-powered implements.

Engage four-wheel drive for hard-working traction when your work demands it.
