Description

7x22 14K Partial Tilt
7x22 14K Partial Tilt
Heavy-duty and flexible—7x22 half tilt trailer with 14K GVWR, built for skid steers, tractors, and more with smooth rear tilt action.
Partial Tilt
A durable partial tilt trailer designed for easy loading and unloading of equipment, vehicles, and machinery. Built with a reinforced steel frame and heavy-duty decking, this trailer offers a reliable tilting ramp for smooth, ramp-free access to skid steers, tractors, and other wheeled equipment. Ideal for contractors, landscapers, and equipment haulers who require a rugged, dependable trailer for everyday use. Features include sturdy ramps, multiple tie-down points, and a solid frame engineered for long-term durability on the toughest job sites.
Premium Style

Our Premium Style trailers offer added strength, durability, and a cleaner look. Tubing construction is ideal for heavier loads, frequent use, or customers who want a longer-lasting investment.
