Description

Features & Benefits:
Ideal for heavy duty grading, leveling and material handling this highly versatile and economical option meets the demands of tough jobs with excellent visibility to the cutting edge.

Options and accessories include quick attach cast pads and pre-drilled holes for many bucket options.
The skid bar design adds strength and wear protection to the bottom of the bucket.
The bucket’s low back design and longer bottom provide optimal visibility to the cutting edge.
The bolt-on cutting edge increases the life of your loader’s bucket.
Compatible with Ignite's 56-Inch Bolt-On Cutting Edge & 56-Inch Loader Bucket Tooth Bar
Warranty: 6-month warranty
