Price: $17,599.00

MSRP: $22,899.00

Description

The 2027 PJ LD is PJ’s low-pro gooseneck flatdeck on dual-wheel axles, the heavy-haul workhorse of the lineup. Contractors and farmers run it for excavators, large tractors and loaded skid steers, where the low deck height keeps the centre of gravity down and the ramp angle workable. A 12" x 19-lb I-beam frame and HDSS adjustable suspension are what let it carry that weight day after day.
• 25,000-lb GVWR with (2) 10,000-lb electric/spring axles and HDSS adjustable suspension
• 12" x 19-lb I-beam main frame and tongue, 3" channel crossmembers on 16" centers, TwistGuard frame protection standard on 30' and longer

• 102" wide 2" treated pine deck, straight deck configuration with an 8' slide-in channel ramp
• GN 2-5/16" Demco EZ-Latch adjustable coupler (30,000 lb) with toolbox
• (2) 10,000-lb drop-leg jacks
• ST235/80R16 10-ply radial tires
• Diamond-plate low-pro fenders, 24" stake pocket spacing and pipe chain spools
• 3/8" grade 70 safety chains with clevis hooks (2)
• All-weather 7-way RV wiring harness
• Primer plus black powder coat finish
Pull type: Gooseneck
