Description

$5000.00 ADDITIONAL PRICE CUT! NOW ONLY $129,900.00 FOR THIS BEAST OF A BOAT!
2026 REGAL LS4 SURF powered with a Volvo 350 HP V8 motor with Electronic Vessel Control combined with Volvo's Forward Facing Drive and an EZ Loader Custom Tandem axle trailer with disc brakes, aluminum wheels with matching spare tire, swing away tongue, led lights and rear self ratcheting tie downs.
This 24' Beast offers a ton of room, an incredible ride and amazing performance all while being able to dial it in for an impressive surf/wakeboard wave.
This boat will have a Steel Grey hull side with a Flame Red Bootstripe, Steel Grey hull bottom and a White Power Tower that powers down with the push of a button on the helm.
Classic Titanium and White interior with snap in Seagrass mat and a Seadek covered swim platform. Color rendering for both the exterior and interior are in the pictures.
This boat is LOADED with features and options including Regal's Surf 2.0 System giving you integrated ballast, massive surf tabs and intuitive rider controls all done on either of the two Garmin 9" flat screens flush mounted at the helm. This boat throws out an awesome wake with great curl and push but unlike traditional inboards, it handles extremely well both forward and reversing, turns much better and still has a top end speed of 50 mph plus.
Other features and options include an awesome underwater power platform under the extended swim platform, Fusion high performance stereo system, subwoofer, amps, tower speakers and rear transom stereo remote, snap in Seagrass cockpit mat, bow walk thru doors, stainless steel docking lights, built in stainless steel fender clips, Teak cockpit table, swivel board racks, large watersports mirror, bow filler cushions, LED Light package, Underwater lighting, dual batteries with switch, built in battery charger, water height swim platform, travel/storage cover and more.
This is the ULTIMATE SURF BOAT that performs, handles and rides extremely well for tens of thousands less than a competition inboard!
Located in our Omaha, NE store.
