Description

The KC-DX6010-030 is a compact 5x10 enclosed cargo trailer built for everyday hauling with a focus on durability and efficiency. It features a flat-top V-nose design for improved aerodynamics and extra interior space, a seamless aluminum roof, and 0.030" aluminum exterior panels. With a GVWR of 2,990 lbs and a single 3,500 lb drop spring axle, it offers a payload capacity of around 1,780 lbs. Inside, it’s equipped with engineered wood flooring and walls, a lauan ceiling, and a 12V LED dome light. The trailer includes a rear ramp door rated for 1,500 lbs
