Description

** DETAILS**
Move pallets of seed, fertilizer, mulch, hay bales, firewood, piping, and so much more with the Ignite Light Duty Pallet Fork and Frame.
Quick Attach Interface: Enables universal compatibility for any compact or sub-compact tractor with a quick attach interface

Adjustable Fork Width: Allows you to tackle a wide variety of tasks quickly and easily by adjusting your fork to fit pallets large and small
Low Profile and Light Weight: Provides excellent visibility and increased capacity (up to 1,200 lbs.) on smaller tractors to make lighter work of heavier lifts
Laser-Cut, Heat-Treated Steel: Optimizes precision, accuracy and strength to take on the toughest tasks
Corrosion-Resistant Finish: Improves durability against harsh elements for a longer life
Expertly Designed and Manufactured in the USA: Guaranteed to fit perfectly on any compact or sub-compact tractor that meets the specifications detailed below
Warranty: 6-month warranty
