Engineered for performance and styled for the win, Impact Race Trailers deliver premium features, and standout looks in a purpose-built race car trailer. Available in both steel and aluminum frame configurations, these enclosed car trailers offer exceptional durability, clean interior finishes, and race-ready upgrades to match your passion for competition.
Key Benefits
48" RV-Style Side Door — Easy Access
Step in and out of your race trailer with ease using a wide RV-style entry door built for comfort and convenience.
Torsion Axles in Spread Configuration — Smooth Handling
This advanced axle layout enhances highway stability and improves load distribution, perfect for long-distance towing.
Aluminum Wheels — Premium Style
Add visual appeal and curb-ready style to your trailer with sleek, eye-catching aluminum wheels.
VHB-Bonded, Screwless Exterior — Clean Finish
The seamless exterior design creates a sleek look and helps minimize maintenance by eliminating screw lines.
Brite Aluminum Exterior Trim — Show-Ready Appearance
Shine at every track with high-polish trim that adds a race-day finish to your enclosed car trailer.

Vinyl Ceiling Liner with Aluminum Coves — Elevated Look
The refined ceiling treatment gives the interior a clean, finished appearance ideal for showcasing your car.
