2027 Down 2 Earth Trailers 8x20 Car Hauler – Black
The 2027 Down 2 Earth Trailers 8x20 Car Hauler is built for dependable vehicle transportation, offering the strength and durability needed for hauling cars, trucks, SUVs, side-by-sides, tractors, and equipment. Featuring an 8-foot-wide deck with a 20-foot floor length, this heavy-duty trailer provides plenty of room for full-size vehicles while remaining easy to tow behind most properly equipped trucks.
Built with a heavy-duty steel frame, this car hauler is designed to withstand years of demanding use. The 10,000 lb GVWR and 7,570 lb payload capacity make it an excellent choice for personal, commercial, and agricultural applications. Tandem axles provide improved stability and load

distribution, while the rear loading ramps allow vehicles and equipment to be loaded quickly and safely.

The pressure-treated wood deck, drive-over fenders, stake pockets, rub rail, LED lighting, and electric brake system make this trailer a versatile solution for transporting everything from classic cars and race cars to compact tractors, UTVs, skid steers, and construction equipment. Whether you're headed to the racetrack, the jobsite, or the farm, this trailer is built to handle demanding workloads.

Down 2 Earth Trailers are known for dependable construction, practical designs, and excellent value. Southern Trailer Depot proudly carries a wide selection of car haulers, utility trailers, dump trailers, equipment trailers, and enclosed trailers to meet the needs of customers throughout Georgia and across the country. Financing options are available for qualified buyers, and nationwide delivery is available.

Whether you're searching for an 8x20 car hauler, 10K car trailer, Down 2 Earth trailer, open car hauler, equipment trailer, vehicle trailer, or heavy-duty car hauler, this 2027 Down 2 Earth 8x20 delivers the strength, payload capacity, and reliability needed for serious hauling.
