Price: $8,995.00

Description

2026 CargoPro Trailers 8X20 Aluminum 2.0 10K Car Hauler

All Aluminum Construction
All-aluminum construction makes CargoPro trailers strong but lightweight, letting you save fuel and maximize your hauling potential.
6' Stowaway Ramps
Always have ramps ready to go, wherever your journey leads, with two 6' ramps that stow securely under the deck of your trailer.
Recessed D-Rings (4)
With the HD D-Rings on your CargoPro trailer, you know you can count on them to be well-made, strong and durable for all your needs.
Aluminum Decking
Extruded aluminum decking on your CargoPro trailer is tough and lightweight, reducing fuel consumption without sacrificing durability.
Aluminum Fender
Reduce the risk of damage to your vehicle during loading and unloading by removing the trailer's aluminum fender before you begin.
4' Beavertail (3" Drop)
If you need to haul low-slung vehicles, choose a open CargoPro trailer with a 4' beavertail 3" drop for smooth loading with less risk of damage.
15" Aluminum Wheels

? Limited Lifetime Warranty
