Description

2025 Arctic Cat® Prowler Pro Crew XTGood Times Call for Good CompanyWith all of the features you love in the Prowler Pro, plus added space for more company and storage, the Prowler Pro Crew is ready to hit the trails.Features may include:FOCUS ON THE RIDEQUIET YET POWERFUL ENGINEWith CVTech TrailBloc clutches, you get 50hp and 48-lb-ft of torque without the noise, offering a smooth takeoff with every ride. Plus, the performance-spec clutching reacts quickly for unmatched throttle response.INCREASE YOUR CONTROLTRAIL-TUNED SUSPENSIONThe stock ride quality of the Prowler Pro Crew suspension has been designed with a lift kit to achieve a high ground clearance that will let you navigate tough trails with ease. In both loaded and unloaded driving conditions, this side-by-side handles more aggressive terrain easier with less bounce and increased control, giving you an all around better ride.INCREASED STRENTH AND PERFORMANCEUPGRADED TRANSAXLE & LOCKING REAR DIFFERENTIALWith an upgraded transaxle for extra durability and a selectable locking rear differential, you'll have the flexibility to adjust your traction based on the terrain.
