Description

This 2025 Liberty 83 in x 24 ft equipment trailer pairs an 8-inch I-beam frame with a wood deck engineered for hauling skid steers, tractors, and other heavy equipment day after day. The 21 ft deck and self-cleaning 3 ft dove tail, combined with spring-assist wedge ramps and fork tubes, make loading and unloading quick and secure. 8K oil bath axles with brakes on both axles and 16-ply radial tires give this trailer serious load capacity, and a 12K tongue jack plus tongue tool box add everyday convenience. The industrial-grade wiring harness, 7-pin plug, and spare tire mount round out a trailer ready for the road. Rated for a 17,500 lb GVWR with 13,300 lbs of payload capacity, this Liberty equipment trailer is priced at $11,999.
