Description

All of our Look Trailers are Manufactured in Pennsylvania

Element SE's flat top trailers stand up to the industry's more expensive custom-built cargo trailers without breaking the bank. With the amount of standard features on each model,, it would be easy to think the LOOK Element SE is underpriced. ATP stone guard, fenders and nose; Dome light and switch; LED tail and clearance lights and a strong 3/4-inch thick floor round out some of the Element SE's standard features.
