Description

7x12 All-Aluminum Utility Trailer – Strong, Lightweight & Reliable

This 7x12 all-aluminum utility trailer is built for durability and performance. With a GVWR of 2,990 lbs, it offers excellent hauling capacity while remaining lighter than steel trailers. The all-aluminum construction resists rust and corrosion, making it ideal for long-term use with minimal maintenance. The 7x12 deck provides ample space for hauling landscaping tools, motorcycles, ATVs, and general cargo. Designed for smooth towing and easy handling, this trailer is a great choice for both personal and professional use.
