Price: $11,900.00

Description

The popular 83-inch wide dump trailers are engineered for strength and durability:
Frame Construction: They feature a heavy-duty dual layer of 6-inch I-beam main frame construction.
Floor & Sides: The bed often uses a single piece of 7-gauge steel for the floor, and the 24-inch high sides are made from 10-gauge steel to resist bowing.
Hydraulics: They utilize a scissor hoist with 5x16 hydraulic cylinders and KTI remote-operated hydraulic pumps for dumping functionality.
Standard Components:
Dexter Nev-R-Adjust brake axles
Radial tires
A three-way rear gate for versatile dumping/loading
A retractable tarp system
Built-in battery charger and deep cycle battery
Lifetime LED lighting
Side access step

Features

- Doors, Windows & Ramps
    - Slide In Ramps
