The 2026 Frontier Trailers 5'1" Truck Bed Livestock Box is a durable and practical solution for transporting livestock safely and efficiently. Designed to fit most truck beds, this livestock box features convenient double rear doors for easy loading and unloading, along with an integrated center divider to help separate animals during transport. Built with rugged construction and ventilation for animal comfort, it's ideal for ranchers, farmers, and livestock owners who need a reliable hauling solution for goats, sheep, calves, and other small livestock.

Built with Frontier's reliable quality, this livestock box offers a practical, space-efficient solution for farmers, ranchers, and property owners needing dependable livestock transport with smart design features.
