2027 Down 2 Earth 6x12 Heavy-Duty Tandem Axle Utility Trailer – Black

The 2027 Down 2 Earth 6x12 Heavy-Duty Tandem Axle Utility Trailer is built to tackle demanding jobs with dependable performance and rugged construction. Finished in a durable black powder-coated steel frame, this heavy-duty utility trailer is ideal for hauling lawn equipment, zero-turn mowers, ATVs, UTVs, small tractors, building materials, landscaping supplies, and general cargo. Whether you're a contractor, landscaper, homeowner, or farmer, this trailer is built to handle everyday work with confidence.

Featuring a 6-foot wide deck, 12-foot loading area, and tandem 3,500 lb brake axles, this trailer provides outstanding stability, increased payload capacity, and smooth towing performance. With a 7,000 lb GVWR and an impressive 5,620 lb payload capacity, it's ready to haul heavy equipment while maintaining dependable braking and control on the road. The rear mesh loading ramp makes loading mowers, ATVs, golf carts, and equipment fast and easy, while the full-length side rails provide additional cargo security.

Constructed with a rugged steel frame, leaf spring suspension, E-Z Lube hubs, and a sealed wiring harness, this Down 2 Earth trailer is engineered for years of dependable service. The LED lighting package, rounded steel fenders, A-frame tongue, and adjustable 2-5/16" coupler complete a trailer that's designed for durability, safety, and ease of use. NATM-compliant construction provides additional peace of mind whether you're hauling equipment across town or across the state.

Southern Trailer Depot proudly carries one of the largest selections of utility trailers, enclosed cargo trailers, dump trailers, equipment trailers, and car haulers in the Southeast.
