Description

The Aluminum Stinger packages exceptional durability with the inherent strength and corrosion resistance of aluminum. Its lighter weight increases payload capacity, allowing operators to haul more while improving efficiency and performance. This deck delivers the essential features hard workers rely on: 1” extruded aluminum decking, a one-piece headache rack, job ready side rails for load securement, and B&W gooseneck towing capability—while retaining the OEM factory receiver hitch. Run hard into every jBED Aluminum Full Headache Rack
