Description

14TL
Comes with removable fenders and tool tray!
Heavy Duty Tilt Bed Equipment Trailer

With a little bit of everything to keep you rolling on your equipment hauling tasks, the 14TL Heavy Duty Tilt Bed Equipment Trailer features a rear tilt deck as well as a stationary front deck. You can stay in control of your equipment with a hydraulic dampening system with a control valve for smooth loading and unloading. And with a fabricated front stop rail and expanded cargo space, you can use every inch of your bed for maximum hauling efficiency. Get ready for a new level of productivity.

A hydraulic dampening system with valve control can lock the cylinder to make loading smooth and easy while ensuring your cargo is secured for the long haul.

While we strive to represent our trailers with 100% accuracy - please call to confirm details of trailer.
