**Description**

## Mahindra 6000 Series 6065 4WD

The 6065 open station comes with 4WD, 53.5 PTO horsepower, electronic power shuttle transmission, mCRD engine technology, and heaviest built-in weight. This tractor has the strength and durability to help get your work done; with a variety of loader attachments and 3 point

implements available, you can customize your 6065 to take on whatever the day may bring.
**FEATURES:** \
\
**Work in Comfort** \

- Comfort(tm) Seat
- Extra cushioning to support you
- Integrated armrests for less fatigue
- Retractable seatbelt for easy access
- Ultimate operator all-day comfort

**No DP Filter** \

- No regeneration down-time
- No operator involvement
- No extra training required
- No maintenance, just fuel up and go
- No high heat + no regeneration = increased fuel savings

**EPS Transmission** \

- Standard 15x15 Electronic Power Shuttle allows for a wide speed range and excellent directional control for heavy-duty loader work

**540E PTO** \

- Standard economy settings allow for less fuel consumption, and lower noise levels in light PTO work

**3 Point Lift Power** \

- Best in class lift capacity allows for a wide range of implement attachment possibilities

**Built Stout For Heavy-Duty Performance** \

- Largest tires for better traction
- Heavier standard weight to handle larger implements
- Longest wheelbase for increased stability and safety

**SPECIFICATIONS** \
