Description

Combined with the finest skirted truck bodies, CM's AL SK Truck Bed model offers many great features to consumers and distributors alike. Supplying top-notch features and hardware, the AL

SK model includes: Best in class tubular steel headache rack, state-of-the-art LED lighting, and top quality B&W hitches. \
\
SPECS AND FEATURES \
\
2 -- LED recessed tail, brake and back up lights mounted in headache rack Meaning CM's lights are brighter, and use less power than conventional incandescent lights, that way your stops, turns, tag lights and more will be easily seen and recognized. Integrated tube headache rack Our headache racks are designed with the best and strongest materials to keep you safe when the unexpected happens. 30,000 lb. rated B&W gooseneck hitch with 7 way electrical plug This is a best in class, independently tested gooseneck hitch that will remain durable throughout your hauls, no matter what they may be. It also contains a 7 way electrical plug to give you ample choices for your power-driven needs. 4" steel channel frame rails Our 4" structural channel frame rails are stronger, more durable, and prevent any rusting from the interior of the tube. 3/8" side rub rails with stake pockets Provides your straps and gives you multiple tie down points throughout your hauling jobs. Extruded aluminum floor Stronger and more durable aluminum floors that reign out against other competitors. Modular sealed wiring harness Our wiring harness are designed to withstand the light or harsh conditions they are placed under. Our Modular Sealed Wiring Harness is designed to reduce corrosion, pulling apart, or deterioration. 7 way round and 5 way flat electrical plug standard on rear tailboard This standard feature allows you to hook on to any trailer and provide quality results. 24,000 lb. rated B&W bumper pull hitch CM's independently rated bumper pull hitch gives you a best in class towing capacity which is integrated into the entire frame. 4" structural steel longsills Our structural 4" channel frame rails are stronger, more durable, and prevent any rusting from the interior of the tube. 4 -- lockable flush-mounted tool boxes with black T-Handle compression latch Our recessed tool boxes provide plenty of storage room for all your hauls. They also provide top-notch, strong security with our chrome T-Handle compression latch. Angled Fuel Fill Provide a shiner, and better looking feature to your work truck. As well as a no-corrosion zone throughout your in-and-out hauls. \
