Description

Heavy Duty Low Profile Power Tilt Deckover Trailer
Available in both bumper pull and gooseneck configurations, the Sure-Trac® Heavy Duty Low Profile Power Tilt Deckover Trailer is a game-changer for anyone needing to transport heavy equipment and vehicles with ease and efficiency. Designed for serious haulers, this trailer combines rugged durability with innovative features to ensure you can tackle the toughest jobs. The standout feature of this trailer is its power tilt deck, which allows for effortless loading and unloading. With the push of a button, the deck tilts to a low angle, providing a smooth, gradual incline for easy access. This is especially useful for loading heavy machinery, vehicles, or construction equipment, reducing the risk of damage and minimizing strain during the process.
