Description

Hay Chix Full Bale 2 Strand Slow Feed Net w/ 1 3/4" Holes

The 2-Strand Bale Net will fit 2-string bales up to 70 lbs. Use it on the ground, in your pasture, in a stall, or throw it in a feeder to keep it off the ground.

- Slow feed aids horses with ulcer prevention, stall weaving, pawing, cribbing, and other unwanted behaviors.
- Hay Chix® nets are proven to save time, money, and hay!

- Reduce clean up time & minimize wasted hay on the ground!
- Several Sizes and Styles Available!
- Slow feed hay nets help horses maintain healthy digestion and mental stimulation by slowing down the eating process to a more natural grazing type of behavior!
- Slow feed helps stimulate saliva production which aids in digestion and helps create a barrier from acid buildup.

Warning: We do not recommend use with horned animals, horses with blankets, or non-breakaway halters. Net may be used with shod horses and animals with split hooves but must be used with a hay ring that is flush with the ground or hung high enough so they cannot paw at it. Net may be used with blankets as long as the buckles are covered or there is a barrier between the netted bale and the blanket.
