Lasting Performance

With strength, durability and unmatched value, Tube Top Utility trailers are the flagship models of Sure-Trac®. The tubular top rail is full-seam welded to tubular uprights to help enhance the frame for lasting performance. Available in many configurations, the Tube Top Utility trailer offers unmatched versatility and distinct Sure-Trac® quality.

Tandem Axle Stability

The design enhances towing stability and weight distribution, making it easier to maneuver, especially when loaded. This feature is particularly beneficial for landscapers who may need to transport materials, such as plants, soil, and landscaping equipment, to job sites. Sports enthusiasts will also appreciate the trailer's capacity to haul ATVs, motorcycles, and other outdoor gear for their adventures.

Thoughtful Design

In addition to its robust build, the Tube Top Utility Trailer is equipped with user-friendly features that facilitate easy loading and unloading. Its thoughtful design allows for efficient use, making it a practical choice for anyone needing a reliable trailer.

Sturdy Construction

With its 2"x2" tube top rail and uprights, the trailer delivers exceptional rigidity and structural integrity, ensuring reliable performance even under heavy loads. This sturdy construction provides the stability needed for transporting equipment, tools, and recreational gear with confidence.
