Price: $11,490.00

Description

CHUCK'S CUSTOM TRUCK AND TRAILER MEDINA OHIO 330-723-6029

The Pro Series Drop Deck Equipment Trailer takes the stress and danger out of loading and unloading equipment. Imagine pulling up to the job site, lowering your trailer deck to the ground with the push of a button, and smoothly driving your equipment on and off without the hassle of ramps. That’s the kind of convenience and safety this trailer delivers. The hydraulic system lowers the deck effortlessly, eliminating the risks that come with maneuvering heavy equipment up steep ramps. It’s an easier, safer process that helps you get the job done faster.

Engineered with a 7-gauge steel floor, the Pro Series Drop Deck is as tough as they come. The floor is also coated with a slip-resistant finish, ensuring that even on wet or slippery days, your equipment stays secure as you load and unload. This design adds an extra layer of safety, keeping you and your tools protected no matter the weather conditions.

Key Benefits

2-Speed 12k Jack »

Speeds up the retraction of the jacks saving you time and energy.

7-Gauge Textured Floor

Provides superior structural integrity to handle heavy loads without compromising durability, while also providing a slip-free surface for safer loading.

Large Toolbox with Lid Light

The spacious hydraulic pump box not only gives easy access to the hydraulic system but also provides additional storage space for tools and accessories. The built-in interior light ensures visibility, even in dark conditions, adding convenience for the operator.

Oversized Stake Pockets

Additional tie-down points that accommodate larger commercial straps for properly securing your equipment.

110-Volt Battery Charger

Avoid the inconvenience of a dead battery by conveniently plugging in an extension cord for a quick charge.

DP24 Battery

Higher capacity for longer cycle times, even in tough environments and extreme temperatures.

Power Up / Power Down Tilt

Eliminates manual labor required to load your equipment, enhancing efficiency and safety with the elimination of traditional ramps and loading angles.

Why Choose a Sure-Trac Pro Series Drop Deck Equipment Trailer?

What’s more, this trailer is available in single, tandem, and triple axle configurations, giving you the flexibility to choose the right fit for your needs. Whether you’re moving light construction equipment or heavy machinery, the Pro Series Drop Deck Equipment Trailer can handle up to 19,000 lbs of payload, making it perfect for contractors, landscapers, or anyone needing a high-capacity, easy-to-load trailer.

With this trailer, you’re not just investing in efficiency; you’re also investing in safety, durability, and peace of mind. The Pro Series Drop Deck Equipment Trailer makes every job easier, safer, and faster, so you can focus on what matters—getting the work done right.
