Belmont trailers are among the best trailers on the market. They are built in Lancaster County PA, most of their workforce are Amish craftsmen who take pride in their work...and it shows. The attention to detail on these trailers is amazing. The welds are beautifully done, and the fit and finish work is great. The trailers are all painted with a three step phosphate wash and primer base with a polyurethane top coat. We have looked at a lot of trailers before we decided to sell Belmonts. They are a rugged, top quality trailer, as good or better than any of the big names.
2” A-frame coupler
Removable zinc plated safety chains with stow hooks
High-quality urethane paint primer and top coat
Sealed Phillips® modular wiring harness
