Description

EX DLX Cargo Trailer
Built to deliver premium performance at an affordable price, the EX DLX Cargo Trailer is the smart choice for secure hauling. This enclosed cargo trailer combines rugged construction with key features like an aerodynamic V-nose and enhanced ventilation to keep your cargo protected and on the move.
Key Benefits
Automotive Undercoat — Corrosion Protection
Protects the trailer’s underside from moisture, road salt, and debris to extend its lifespan.V-Nose Front Profile — Better Towing & Storage
Reduces wind resistance for improved fuel efficiency while adding usable interior space.Sidewall Airflow Vents — Fresh Air Circulation
Helps reduce heat and moisture buildup by allowing continuous airflow inside the trailer.Color Matching Screws on Seams — Clean, Uniform Look
Enhances the trailer’s exterior with a polished, professional finish that hides fasteners.
Why Choose a Cargo Express EX DLX Cargo Trailer?
Overview
The EX DLX Cargo Trailer blends everyday reliability with thoughtful upgrades to enhance your hauling experience. Whether you're transporting tools, gear, or goods, this enclosed trailer offers solid construction, clean styling, and smart features that make a difference on the road. It's ideal for homeowners, contractors, and small businesses needing a dependable cargo solution.Interior Features
Step inside and you'll find a clean, functional cargo space ready to handle your daily demands. With durable flooring, sealed seams, and robust tie-down options, the EX DLX is designed for security and ease of use. The V-nose design adds extra front storage room for your cargo.Exterior Features
Outside, this enclosed cargo trailer features a durable aluminum exterior with color-matched screws for a finished look. The frame is protected with an automotive undercoating to fight corrosion, while sidewall vents help maintain airflow and reduce moisture. Every detail is built to withstand the elements and perform over time.Designed for Practical Hauling
From its user-friendly layout to its streamlined towing profile, the EX DLX is engineered for dependable performance without unnecessary extras. It's an ideal enclosed trailer for general

cargo hauling, made to suit a variety of hauling needs.
