Description

XL SE Cargo Trailer
Built for dependable hauling and sleek style, the XL SE Cargo Trailer delivers standout performance in a durable, enclosed trailer design. This enclosed cargo trailer is optimized for versatility, combining rugged construction with clean lines, a screwless exterior, and safety-minded features to meet the needs of serious haulers.
Key Benefits
Safety Chain Holders on Tongue — Keep Your Chains Securely off the Ground
Ensure convenient storage and reduced chain wear with dedicated chain holders.Automotive Undercoat — Defends Against Corrosion from Road Debris and Moisture
This protective barrier extends trailer life and resists rust in harsh conditions.Screwless, VHB Bonded Exterior — Smooth, Snag-Free Surface with Superior Adhesion
Offers a modern look and reduces maintenance while enhancing structural strength.Seamless Aluminum Roof — Leak-Resistant Design Built to Last
Protects your cargo with a single-piece roof that eliminates vulnerable seams.
Why Choose a Cargo Express XL SE Cargo Trailer?
Overview
The XL SE Cargo Trailer lineup is a premium enclosed trailer series designed for serious transport needs. This trailer combines robust structure with refined finishes, delivering both strength and professional curb appeal. With construction focused on durability and performance, it’s ideal for commercial haulers, contractors, and recreational users alike.Interior Features
Inside, the XL SE features moisture-resistant flooring, wall liner protection, and ample tie-down options to secure your cargo. Quality lighting and a finished interior liner offer better visibility and protection, making loading and unloading more efficient.Exterior Features
Standout details include a screwless VHB bonded exterior, seamless aluminum roof, and an automotive undercoat to shield against road spray. Safety touches like safety chain holders on the tongue add reliability to every haul, while the aerodynamic V-nose profile helps improve towing efficiency.Front Profile Configurations
The XL SE Cargo Trailer is available in two front profile configurations: Flat Top with Sloped V-Nose and Round Top with Round Front. Both options offer the same dependable construction and high-quality standards, allowing you to choose the appearance and structure that best suits your hauling needs.
