Extreme conditions demand cutting-edge innovations. The long-time industry favorite powder-coated steel DXT is the reliability you need to last. The fully featured Steel BOSS DXT is the ultimate tool to fight all things snow and ice. Its patented dual-trip design enhances plow protection when striking hidden obstacles in any plow position. Outfitted with a long-lasting, durable base angle to provide extended wear resistance, built-in curb guards, and a patented snow catcher is your perfect decision to KEEP ‘EM OPEN when mother nature strikes.

Extreme conditions demand cutting-edge innovations. The long-time industry favorite powder-coated steel DXT is the reliability you need to last. The fully featured Steel BOSS DXT is the ultimate tool to fight all things snow and ice. Its patented dual-trip design enhances plow protection when striking hidden obstacles in any plow position. Outfitted with a long-lasting, durable base angle to provide extended wear resistance, built-in curb guards, and a patented snow catcher is your perfect decision to KEEP ‘EM OPEN when mother nature strikes.

BOSS Super-Duty straight-blade plows RESTORE ORDER with unsurpassed reliability and strength. BOSS SmartShield baked-on powdercoat paint finishes with zinc primer resist corrosion. Heavy-duty push frames and push frame attachment bars and optimized blade curl are standard on every BOSS straight-blade. For added strength to take on nature’s worst, BOSS Super-Duty straight-blades boast reinforced moldboards for increased blade rigidity and increased durability.

When you are out in the middle of a storm, you demand toughness to break through the darkness and withstand the cold. The SL3 headlights won't let you down. BOSS is always there to back you up!

**Ice Shield Technology**
Heats the SL3 Lens using a thermally conductive grid to prevent ice build-up.

**Precise Light Pattern**
Features a lower profile housing and concentrated white light output to improve operator visibility and an ultra-wide color temperature that reduces driver fatigue and eye strain during extended plowing sessions.

**Extended Life Expectancy**
Boasts up to 8-10 years of bulb life and pumps out nearly double the lighting compared to standard halogen systems.

**Ultra-Efficient**
LED lighting systems consume half the amperage of conventional halogen systems.

**BOSS Signature**
SL3 plow lights deliver a premium BOSS look and are 40% smaller than Smartlight2 lights while offering greater power.

**Standard for New Plow Purchases**
Easily upgrade your existing Smartlight1 or Smartlight2

**FINANCING AVAILABLE FOR THOSE WHO QUALIFY**
