Description

The 2016 Venture Sonic Lite SL169RBS is a lightweight, easy-to-tow travel trailer with a rear bathroom layout, featuring a one-piece seamless fiberglass roof and an aerodynamic front profile. Designed for smaller tow vehicles, this ultra-lite unit offers high-efficiency LED lighting, a fully equipped kitchen, and a comfortable living space with 82-inch ceilings.

Key Features & Specifications (SL169RBS/Similar Sonic Lite Models):

Construction: One-piece seamless fiberglass roof, diamond plate rock guard, and 5-sided champagne infused fiberglass.

Weights: Ultra-lightweight (typically under 4,000 lbs, with Sonic Lite series dry weights ranging from 2,995 to 4,500 lbs).

Rear Bathroom (RBS): Features a residential radius shower with a glass door, foot-flush toilet, and medicine cabinet.

Interior Amenities: Comfortable living with 82-inch ceilings, LED lighting, and available 4.2 cu ft refrigerator, 2-burner cooktop, and convection microwave.

Exterior: Slam latch baggage doors, power awning with LED lighting, and exterior marine-grade speakers.

The 2016 Sonic Lite SL169RBS prioritizes a robust, leak-resistant construction while providing a modern, comfortable camping experience for two to four people.
