Description

This 2026 Liberty 83 in x 20 ft steel frame car hauler gives you an 18 ft deck plus a 2 ft dovetail for a smooth, gradual loading angle. A powder-coated finish protects against corrosion, and the wood deck provides solid traction for vehicles or other wheeled equipment. Removable diamond plate fenders add durability while staying easy to service, and pull-out ramps keep loading straightforward.
Dual 3,500 lb Dexter axles with electric brakes and 5-lug wheels handle stopping power, and a locking tongue toolbox keeps straps and tie-downs secure. A 7K tongue jack, sealed wiring harness, and 2 5/16-inch adjustable coupler round out a solid build, with LED lighting for safe towing after dark. With a 7,000 lb GVWR, this Liberty car hauler in Black is priced at $4,999.
