Description

The Equipment Trailer is designed for versatility and durability across a wide range of jobs and applications. Built with a rugged C-Channel frame and cross-members, this trailer is engineered to withstand the toughest work environments, providing the strength and reliability you need to haul your equipment with confidence. Available in multiple lengths and Gross Vehicle Weight Rating of 10K, 14K, and 16K, you can be sure to find a configuration that meets your demands.
KEY BENEFITS:
Full Wrapped C-Channel Tongue - Provides exceptional structural integrity with increased strength and durability. Also enhances stability of the tongue when under load.
Heavy Duty Drop Leg Setback Jack - Equipped with a jack that allows for quick and easy unhitching, as well as being located in a position to clear your tailgate.
2? Beavertail and HD 4? Channel Stand-Up Ramps - Provide an optimal loading angle for safe loading, while the spring-assist features reduces the strain and effort required.
Spring-Assist Ramps with Adjustable Support Legs - Ensures stable and secure loading in any conditions.
Pressure Treated 2? x 6? Decking - More resistant to rot and decay and provides strength and stability to handle whatever you’re hauling.
(4) D-Rings - Securely tie down your cargo with these heavy-duty anchor points, providing extra stability and safety during transport.
Stake Pockets and Rub Rail - Enables you to customize the trailer’s configuration to meet your specific hauling needs and provide support and a more finished look to the trailer.
