Description

PRO SERIES IMPLEMENT

If you need an implement trailer designed to handle any job you'll throw at it, this is the trailer for you. Just like all Pro-Series open trailers, it relies on an I-Beam main frame and heavy-duty components for strength and durability. And since Pro Series trailers are just as much about brain as they are about brawn, this implement trailer comes loaded with well thought-out features such as a design that combines a low deck height with high ground clearance, a 2-speed 12K jack, oversized stake pockets, and tie-down points in all the right places.

FEATURES

- HD I-Beam Frame and Tongue
- Extended (72") Tongue
- Bulkhead w/ Integrated Tie-Down Points
- HD 2-Speed 12K Drop Leg Jack
- Large Toolbox with Interior Light
- 24" Wide Mesh Covered Stand-Up Ramps
- Oversized Stake Pockets
