Description

This 2026 Homesteader Intrepid 6 x 12 ft cargo trailer swaps the ramp for double rear doors, giving you a wide, low opening for wheeling cargo straight in without navigating an incline. A 5 ft 8 in interior width offers a bit of extra room inside, and leaf spring suspension with 15-inch wheels and tires keeps the ride smooth. A 3/4-inch floor and 3/8-inch walls build a solid, durable interior, and recessed D-rings give you flush tie-down points that stay out of the way.

The V-nose front and one-piece roof help the trailer cut through wind and shed water, and the side door adds a second access point. LED lighting keeps the trailer visible after dark. With 6 ft 6 in of interior height and a 2,990 lb GVWR, this Homesteader Intrepid cargo trailer in White is priced at \$4,699.
