Description

This is a 3 in one trailer. These Jumping Jack Trailers are one of a kind. Here's how it works: you put your ATV or side by side or motorcycles or bikers or other toys on top. When you get there you unload your toys and you set your nice and clean tent up in less than 5 minutes. It is very easy to do- there is a video to see how easy it is. We have lots of accessories as well. Here the specs:
Protective Bag: Heavy duty vinyl-polyester bag.
Tent Shell: 13 oz. mildew and water-resistant marine canvas.
Seams: Strong double stitched seams and reinforced corners.
Windows: Seven large screened windows for excellent cross ventilation and clear outside view.
Outside Step Stool included.
144 square feet of interior space.
Head Room: 7 foot ceiling height.
Tent Frame: Powder-coated steel.
Interior Table: Swing-up table (32"x44").
Beds: Factory configuration of two single beds (34"x140"), can be expanded to double beds on one or both sides with optional Half Bed Extension* accessories.
Sleeping Capacity: Up to 8 adults in beds.

- Factory configuration includes 0ne Half Bed Extension.

Half Bed Extensions can also be used as seat backs at the interior table.
