Big Country Standard Equipment:

Tapered bulkhead with integrated high mount LED combo and work lights for terrific visibility and lots of light for night work
EBY Trailers Exclusive 20" extruded buck-plate with cast aluminum corners and LED tail lights provides great styling and durability
HD .156" diamond plate floor hauls anything from pallets of cement to feed for cattle
Tapered rear corners give you the widest possible turn radius for your trailer
Sub-Structure is 5" j-sills and 3" cross members for cab and chassis
Sub-Structure is 3" wide x 5" thick flat bar and 3" cross-members on pick-up box deletes
Rear window grill tapered to match cab and punched to allow maximum rear visibility
HD Aluminum 5" high extruded side rails with stake pockets and rub-rails for tie-downs
Formed aluminum wing brackets transition from bulkhead to body and help retain cargo
EZ-Open trap door to access gooseneck hitch
EBY Trailers mounting kits are provided at no extra charge!
Big Country Optional Equipment:
Steel ICC Bumper with 2.5" hitch and integrated steps for smooth towing and easy access to the bed
2.375" Gooseneck ball hitch
8" high removable side kit provides side and rear panels to retain cargo
EBY Trailers builds a wide variety of tool boxes in all aluminum or with stainless steel overlays that fit various body sizes and chassis configurations
